Please ask our service staff for a KEY-CARD, which must be returned after use. You'll find the toilets at the main entrance – to the left.

Thank you for your understanding!

Dear MQ·Daily guests,

Our dishes are prepared fresh for you, that's why there may be occasional waiting times. We appreciate your understanding!

Our café/restaurant is certified with the Austrian Eco-Label and offers eco-friendly disposable tableware made from sustainable materials. For us, sustainability is not just a buzzword – it's a promise we keep every single day.

Our close partnerships with companies like 'Alfa Frucht GmbH' - fruits and vegetables and 'AZM KG' (Naschmarkt)-meats, reflect our commitment to quality and regionality. We source our organic dairy products from NÖM, and our delightful baked goods from Resch & Frisch, Bäckerei Felzl, Bäckerei Szihn and Patisserie 23.

All the fish we use comes exclusively from MSC or ASC certified sources.

Our wines come from top-notch winemakers, including the organic-winery Kletzer in Bad Pirawarth, winery MATE / Zagersdorf, organic-winery Thomas Hareter / Neusiedlersee and family Preiß with excellent wine und liquor from the picturesque Traisental. They all produce high-quality wines and fine spirits that will delight your senses.

Our organic coffee Oro Verde, roasted by the regional roastery 'Naber', and organic teas from 'Demmers Tee' are produced in an environmentally friendly manner. With every order, you're not only supporting local agriculture but also contributing to environmental conservation. We invite you to enjoy our diverse selection of organic and regional products and join us in our commitment to sustainable indulgence.

Together, we can do good for our taste buds and our planet.

Bon appétit and enjoy a relaxing time,

Gaby Rautnig und Ihr Team

At our establishment, the protection of the environment takes top priority, and we invite you to actively participate with us.

Here are some steps on how you can assist us in achieving our environmental goals:

Order according to your needs:

Order only what you can truly consume. Our portions are generous, but if you find yourself unable to finish your meal, we are happy to provide you with containers so you can take the leftovers with you.

Environmentally friendly dining:

Choose from our variety of vegetarian and vegan dishes and support sustainable and environmentally friendly agriculture.

Feedback is welcome:

Your opinion matters to us. Please let us know how we can further improve our eco-friendly efforts.

We thank you in advance for your assistance in supporting our environmental objectives. Together, we can make a positive impact and shape a sustainable future.

At „MQ Daily“ you find yourself in a place of indulgent culinary delights in the middle of an ambience with a great history. You are here in the building complex of the former „Vienna’s imperial stables“ which the great Austrian baroque architect Johann Bernhard Fischer von Erlach made internationally known from the beginning of the 18th century until today. Up to 600 horses and hundreds of carriages were housed here - not far from the famous Hofburg. Austria’s cultural heritage is world famous - just like the warm hospitality of its people. Enjoy your stay with us!
