Dear MQ-Daily guests,

due to fresh cooking all the dishes we serve, a little waiting period can be caused. We hope you appreciate and don't mind! We obtain our vegetable-, meat- and eggproducts mostly from austrian organic farmers.

We are cooking using sea salt without any flavor enhancer, but with loads of love!

Please don't hesitate to ask our service-team if you have any questions concerning allergen ingredients.

Our food and drink supply changes seasonal!

You'll find even more food and drinks on our black boards or just ask for it!

Enjoy your time in our place

Gaby Rautnig and her team
